- Opportunity for advancement
- Travel opportunities in Western Canada
- Work primarily indoors
- Smartphone, uniform, specialty tools, & company vehicle provided for business use

*Applicable once eligibility requirements are met

Position Summary

DSL prides itself on building deep & enduring trust-based relationships with some of the biggest names in the food service industry. Our service technicians are our front line & are responsible for maintaining an extremely high level of customer service while repairing food service equipment.

What you'll do:

- Maintain & repair a variety of foodservice equipment
- Interact with our customers in a professional & courteous manner
- Assess & complete minor repairs quickly & accurately
- Maintain an accurate parts inventory in your company vehicle

What you'll need:

- Valid class 5 driver's license (daily travel is required)
- Excellent customer service & communication skills
- Experience in a technical role with a high level of customer interaction is preferred. DSL will train the right candidate for the job!
- Experience working with foodservice equipment especially if related to Taylor, Henny Penny, Franke Coffee systems, or equivalent product lines (Rational, Blodget, Garland, Bunn, Cornelius, FBD, Electrofreeze, Stoelting, etc.) is a definite asset

Learn more about us at dslinc.com. To apply, submit your resume & cover letter to hr@dslinc.com with the position title included in the subject line. We thank all applicants for their interest, only those selected for an interview will be contacted.
